I wanna say thanks again for leaking Zachariah Qureshi's name prematurely, @karol. Otherwise, the people who ACTUALLY killed Charlie Kirk might've gotten away with it.

But thanks to you, @karol, I was able to link in Kent Madsen, Tsinghua University, Echo Liu and Epoch Times (GHF/Blackwater/CIA/Mossad). Hunter Strategies (Booz Allen Hamilton), The Heritage Foundation, Latter-Day Saints, FedSoc/Edmund Burke, NYYRC, Human Events, A3P/IAP, Claremont, Salem Radio Ntwk, Flynn, UnitedHealth/AIG/8200/Team8, Microsoft, Qualcomm, TPUSA, Bronfman-Rothschild, Check Point, Kela Tech, etc.
